Award?

Fish & Chip shops apply to SeaFish for an assessment. A thorough inspection is made by a SeaFish Approved Inspector to assess: The shop's image, design and condition; selection of raw materials; hygiene and cleaning methods; product care handling and temperature control; packaging of the product; quality of the final product; management systems; cleaning schedules; training; quality monitoring; equipment; frying skills and sales skills.

How often are Award Winners Tested?

The Award is valid for one year. Retention of the award depends upon the high standards being maintained. Approved inspectors maintain the right to visit the shops unannounced at any time.
